Subject No. 211.
Levy of rates only on irrigable atchkat.

Summary of discussion.—Wet rates should be levied only on so much of the atchkat of tanks as could be irrigated with the water thereof.

Reply of Government.—Noted.

Subject No. 212.
Grant of certain lands without sale in Pavagada Taluk.

Summary of discussion.—It is usual in the Pavagada Taluk to relinquish dry lands after cultivating them for three years and to take them up again after the lapse of four or five years. Lands lying waste for more than three years are naturally valuable while those relinquished within the past three years are not so. The latter class of lands should be given to applicants without sale.

Reply of Government.—This is not a desirable change.

Subject No. 213.
Irrigation Cess.

Summary of discussion.—Remission of Irrigation Cess on lands below private enterprise tanks and wells is prayed for.

Reply of Government.—This will be considered.

Subject No. 214.
Stones to indicate lands for darkhasts.

Summary of discussion.—Stones bearing the survey number and extent may be ordered to be fixed in each field so that intending applicants may know readily the particulars to be entered in their applications.

Reply of Government.—This is not necessary.

Subject No. 215.
Extension of Kunigal Town.

Summary of discussion.—Orders are solicited for the grant of a portion of the land attached to the Kunigal Stud Farm for the extension of the Kunigal Town.

Reply of Government.—This is not really required.

Subject No. 216.
Bandihalli Chattram.

Summary of discussion.—The chattram at Bandihalli should be transferred to Huliyurdurga or Kunigal.

Reply of Government.—To Muzrai Department for disposal.

Subject No. 217.
Improvement of village sanitation.

Summary of discussion.—The annual grants from Local Funds General for improving village sanitation may be regulated according to the requirements of each District and fixed once for all.

Reply of Government.—Noted.

Subject No. 218.
Re-adjustments of grants for road repairs.

Summary of discussion.—The grants for the annual repairs of Provincial roads running parallel to the Railway line may be reduced, and the savings thus effected utilized for increasing the allotment for the maintenance of the more frequented District Fund roads.

Reply of Government.—Noted.

Subject No. 219.
Repairs to D. F. roads by Amani.

Summary of discussion.—Annual repairs to District Fund roads should be executed under Amani and not under the Contract system.

Reply of Government.—Noted.

Subject No. 220.
Deputy Amildars to be members of D. F. Boards.

Summary of discussion.—The Deputy Amildars should be appointed members of the District Fund Board and allowed to vote at meetings thereof.

Reply of Government.—A new Regulation is under contemplation.
